

DOUBLE ENDED QUATZ UV LAMP

Product Features:

The ultraviolet radiation is high of energy, strong disinfections capability and long life service.,
CBCP: 600 to 1,000cd

Primary Application:

Sterilize for air, liquid and surface of object

Optional

- ozone and free of ozone type.
- Beam angle: 10deg. or 25deg
- Cover color: clear, red, yellow, blue and green

Type	Voltage	Watt	Current	UV Radiation	AV.LIFE	Base	Diameter	Length
