

DOUBLE ENDED LINEAR TUNGSTEN HLAOGEN LAMP

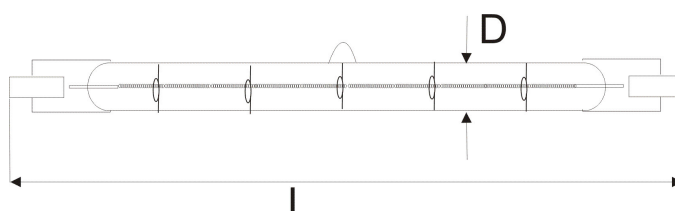

Product Features:

Main Voltage, no transformer required, Excellent good color rendering (Ra=100) and long service life, Constant light output, High luminous efficiency, Dimmable.

Primary Application:

Suitable for general lighting, task lighting offices, Museums, billboard.

Note: Optional color: Color, Blue.

Model Nr.	DIMENS DxL(MM)	Volt (V)	Watt (W)	Lumen (Lm±25%)	Av. Life (Hrs)	Base
