CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to GEM website at www.hkgem.com in order to obtain up-to-date information on GEM-listed issuers.

This is an explanatory statement given to all Shareholders relating to the resolution no. 4(B) to be proposed at the AGM regarding the general mandate to repurchase Shares.

The explanatory statement contains all the information required pursuant to Rule 13.08 of the GEM Listing Rules.

1. EXERCISE OF THE GENERAL MANDATE TO REPURCHASE SHARES

As at 22 June 2006, being the latest practicable date prior to the printing of this explanatory statement, the issued share capital of the Company comprised 971,000,000 Shares.

If the resolution no. 4(B) authorising the Directors to repurchase Shares is passed at the forthcoming AGM, and assuming that no new Shares are issued prior to the date of passing of the said resolution, based on the 971,000,000 Shares in issue as at 22 June 2006, up to 97,100,000 Shares, representing 10 per cent. of the existing issued share capital of the Company may be repurchased by the Company, during the period from the date of passing of the resolution no. 4(B) and ending on either the date of the next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required to be held by the articles of association of the Company or applicable laws of the Cayman Islands or the date upon which the resolution no. 4(B) is revoked or varied by the Shareholders in general meeting (whichever is the earliest).

2. REASONS FOR REPURCHASE OF SHARES

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market at any appropriate time. Such repurchase may, depending on market conditions and funding arrangements at that time, lead to enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASE OF SHARES

Repurchases must be funded out of funds legally available for the purpose in accordance with the articles of association of the Company, the GEM Listing Rules and the laws of the Cayman Islands and Hong Kong. The Company may not repurchase the Shares on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the financial statements contained in the annual report of the Company for the year ended 31 March 2006) in the event that the proposed repurchase of Shares was to be carried out in full at any time during the proposed repurchase period. However, the Directors expect to exercise such mandate if and to such extent only as they are satisfied that the exercise thereof will not have such a material adverse impact.

5. SHARE PRICES

The highest and lowest prices at which Shares have been traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

Period	Traded Price Per Share	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
July 2005	0.068	0.060
August 2005	0.050	0.049
September 2005	0.055	0.040
October 2005	0.060	0.039
November 2005	0.070	0.040
December 2005	0.051	0.041
January 2006	0.049	0.035
February 2006	0.045	0.037
March 2006	0.062	0.037
April 2006	0.049	0.039
May 2006	0.045	0.035
June 2006 (up to 22 June 2006)	0.045	0.031

6. HONG KONG CODE ON TAKEOVERS AND MERGERS

If, as the result of the repurchase of the Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the GEM Listing Rules), could, depending on the level of increase of shareholding interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the general mandate to repurchase Shares.

As at 22 June 2006, being the latest practicable date prior to the printing of this explanatory statement, the substantial Shareholders were as follows:

Name of the Shareholder	No. of the Shares interested in	Approximate percentage of existing shareholding	Approximate percentage of shareholding if exercised in full the power to repurchase
Manistar Enterprises Limited	643,364,070	66.26%	73.62%
CCT Telecom Holdings Limited (<i>Note</i>)	643,364,070	66.26%	73.62%

Note: The interests disclosed comprised 643,364,070 Shares beneficially owned by Manistar Enterprises Limited, which is a wholly-owned subsidiary of CCT Telecom Holdings Limited.

In the event that the Directors shall exercise in full the power to repurchase Shares in accordance with the terms of the resolution no. 4(B) to be proposed at the AGM, the total interests of the above substantial Shareholders would be increased to approximately the respective percentages shown in the last column above. To the best knowledge and belief of the Directors, such increase would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. In fact, the Directors do not have the intention to exercise the power to repurchase Shares to an extent which would make any of the substantial Shareholders to be obliged to make a mandatory offer under Rule 26 of the Takeovers Code in this respect.
